

## Bar Rental

We have a fully functioning free standing bar made from traditional wood with three fonts & a real ale hand pull. providing bespoke bar solutions to a wide array of events including:

**Weddings • Corporate Events • Special Occasions • Parties**

We can accommodate the following bar packages:

### Option 1: Paying Bar

Most popular option we have for outdoor parties, events & wedding receptions.

We apply for your “temporary event notice” (liquor license) & provide all equipment, all stock & cover all staffing needs.

Your guests pay for their own drinks, consequently the cost to you is minimal.

### Option 2: Free Bar

Your guests drink for ‘free’ & the final bill is settled by you.

Payment – At the end of the event you will be given an itemised bill, which will include all products that have been dispensed to your guests.

### Option 3: Best of Both

You pay a certain amount to allow your guests free drink(s) & when this runs out the guests pay for their own.
