Most popular option we have for outdoor parties, events and wedding receptions.

Your guests pay for their own drinks, consequently the cost to you is minimal.

OPTION 2 **FREE BAR**

Your guests drink for ‘free’ and the final bill is settled by you.

Payment – At the end of the event you will be given an itemised bill, which will include all products that have been dispensed to your guests.

OPTION 3 **BEST OF BOTH**

You pay a certain amount to allow your guests free drink(s) and when this runs out the guests pay for their own.
